

## Involvement with Child's Day Care and Baby-sitting.

1. Within the past five years, have you been involved with any day care for the child?
2. If your answer to the preceding interrogatory is in the affirmative, please describe in detail the nature and extent of your involvement with the child's day care.
3. If, within the past five years, you have been involved with arranging day care for the child, please state:
  - a. A description and importance of criteria used to select a day care provider,
  - b. The methods used to qualify and select a day care provider,
  - c. The reasons for needing day care for the child,
  - d. The times of day and days of week day care is used,
  - e. The name and address of each day care provider selected,
  - f. The names of the director and key staff people at each such day care provider,
  - g. The cost of day care on a weekly or annual basis,
  - h. Whether you have paid all required taxes,
  - i. Whether you are responsible for the child's transportation to the day care facility.
4. If, within the past five years, you have arranged for day care for the child, please state as to the criteria used by you to select the child's day care provider:
  - a. The ratio of staff to children,
  - b. The longevity of the staff,
  - c. The qualifications of the staff,
  - d. The philosophy of the teaching by the day care provider,
  - e. The types of activities offered,
  - f. The structure of the days' activities,
  - g. Any special programs offered,
  - h. The cost and payment plan,
  - i. The hours of operation,
  - j. Any other.
5. If, within the past five years, you have been involved in arranging day care, please state the methods used by you to qualify and select the day care provider for the child:
  - a. Each method used by you,
  - b. Your researching of available options,
  - c. Your interviews with management,
  - d. Your interviews with other clients,
  - e. Your unscheduled visits to providers,
  - f. Any other.
6. If, within the past five years, you have been involved in having the responsibility for the child's transportation to any day care facility, please state:
  - a. What hours of the day are involved,
  - b. What days of the week are involved,
  - c. What alternative arrangements you have made when necessary.

7. Within the past five years, have you been involved with baby-sitting for the child?
8. If your answer to the preceding interrogatory is in the affirmative, please describe in detail your involvement with any baby-sitting for the child.
9. If, within the past five years, you have been involved with baby-sitting for the child with regard to the criteria used by you to select a baby-sitter, please state:
  - a. A description of each criteria used,
  - b. The importance of each criteria used,
  - c. The age and experience of any such baby-sitter,
  - d. The rapport and affection of any such baby-sitter for the child,
  - e. The willingness of the baby-sitter to pay full attention to the child,
  - f. Your personal knowledge of the baby-sitter or the baby-sitter's family,
  - g. The availability of the baby-sitter on short notice,
  - h. Any other criteria.
10. If, within the past five years, you have been involved in arranging for baby-sitting for the child, please state as to the methods used by you to qualify and select a baby-sitter:
  - a. Researching baby-sitting services,
  - b. Interviews with the baby-sitters,
  - c. Interviews with other clients,
  - d. Requiring and checking references,
  - e. Meeting the baby-sitters' families,
  - f. Arranging supervised visits with the child prior to hiring,
  - g. Other methods.
11. If, within the past five years, you have been involved in arranging for baby-sitters for the child, please state as to each such baby-sitter:
  - a. The names and addresses of each baby-sitter selected,
  - b. Each baby-sitter's age at the time of selection,
  - c. Each baby-sitter's experience at the time of selection,
  - d. The child's favorite baby-sitters,
  - e. The frequency of the use of baby-sitters on an hourly or days-of-the-week basis,
  - f. The reasons for needing baby-sitters,
  - g. Identification of which baby-sitters were hired for what hours,
  - h. Any reasons for choosing specific baby-sitters for different times,
  - i. The cost of baby-sitting on an hourly, monthly or annual basis,
  - j. Whether you have paid all required taxes for any such baby-sitter.
12. If, in the past five years, you have been responsible for any baby-sitter's transportation to your home, please state:
  - a. Whether you usually pick up and take the baby-sitter to the baby-sitter's home,
  - b. Whether you use taxi cabs for transportation for any baby-sitter,
  - c. Whether there are any other arrangements used by you for baby-sitters' transportation,
  - d. Whether you pay all the required taxes for any such baby-sitter.

## Attitudes Regarding Child's Discipline.

1. Please describe your overall philosophy regarding punishment of children, including the purpose and types of actions employed.
2. Please identify the types of action that would be appropriate for some form of discipline, if committed by a toddler.
3. Please state the types of discipline that you believe is appropriate for a toddler, including:
  - a. A description of each method of discipline you consider appropriate,
  - b. Each type of behavior by the child warranting each type of discipline,
  - c. How often you would use each such method of discipline with the child.
4. Please identify the types of action that would be appropriate for some form of discipline, if committed by a preschool age child.
5. Please state the types of discipline that you believe is appropriate for a preschool age child, including:
  - a. A description of each method of discipline you consider appropriate,
  - b. Each type of behavior by the child warranting each type of discipline,
  - c. How often you would use each such method of discipline with the child.
6. Please identify the types of action that would be appropriate for some form of discipline, if committed by a school age child.
7. Please state the types of discipline that you believe is appropriate for a school age child, including:
  - a. A description of each method of discipline you consider appropriate,
  - b. Each type of behavior by the child warranting each type of discipline,
  - c. How often you would use each such method of discipline with the child.
8. Please identify the types of action that would be appropriate for some form of discipline, if committed by a preteen child.
9. Please state the types of discipline that you believe is appropriate for a preteen child, including:
  - a. A description of each method of discipline you consider appropriate,
  - b. Each type of behavior by the child warranting each type of discipline,
  - c. How often you would use each such method of discipline with the child.
10. Please identify the types of action that would be appropriate for some form of discipline, if committed by a teenager.
11. Please state the types of discipline that you believe is appropriate for a teenager, including:
  - a. A description of each method of discipline you consider appropriate,
  - b. Each type of behavior by the child warranting each type of discipline,
  - c. How often you would use each such method of discipline with the child.

## Attitudes About Child's Activities.

1. Within the past three years, have you been involved in allowing the child to see movies suitable for the child's age group?
2. If your answer to the preceding interrogatory is in the affirmative, please state:
  - a. Your attitude and practices regarding seeing movies as appropriate activities for the child's age group,
  - b. Your involvement in checking and adhering to the movie industry rating,
  - c. Your involvement in reading reviews in newspapers or magazines,
  - d. Your discussion of movies with other parents,
  - e. Your seeing movies prior to allowing the child to see such movies,
  - f. Your reliance on other parents' decision to allow their children to see such movies,
  - g. Your involvement in asking that the child not be given money as a gift so as to control movie viewing.
3. Within the past three years, have you been involved in allowing the child to listen to music suitable for the child's age group?
4. If your answer to the preceding interrogatory is in the affirmative, please state as to such music:
  - a. Your attitude and practices regarding the suitability of music for the child,
  - b. Your involvement in accompanying the child whenever music was listened to in stores,
  - c. Your reading music reviews in newspapers or magazines,
  - d. Your asking music store clerks about lyrics and the kind of music that the child wanted,
  - e. Your asking that the child not be given money as a gift so as to control music purchases.
5. Within the last three years, have you been involved in any decision involving the child wearing clothes suitable for the child's age group?
6. If your answer to the preceding interrogatory is in the affirmative, please state as to such clothing decision making:
  - a. The nature and extent of your involvement in any such decisions,
  - b. To what extent have you accompanied the child when clothing was being purchased for the child,
  - c. Asking that the child not be given money as a gift so as to control purchases of clothing,
  - d. Observing and influencing what the child wears to school,
  - e. Observing and influencing what the child wears to nonschool activities,
  - f. Observing what other children of the same age as the child wear.
7. Within the past three years, have you been involved in any decision related to toys suitable for the child in the child's age group?

- a. The nature and extent of your involvement with any decision making relating to toys,
  - b. To what extent you accompanied the child whenever any toy was being purchased for the child,
  - c. Asking that the child not be given money as a gift so as to control toy purchases,
  - d. Examining the toy package for any indicator of appropriate age group,
  - e. Examining any toy in connection with any dangerous quality such as a sharp edge or a small piece, etc.,
  - f. Requesting any store clerk to demonstrate the use of the toy,
  - g. Requesting any store clerk to discuss the drawbacks or limitations of any such toy,
  - h. Observing another child using the toy.
8. Within the past three years, have you been involved in any decision relating to sports activities for the child?
9. If your answer to the preceding interrogatory is in the affirmative, please state as to any such sports activities:
- a. The nature and extent of your involvement in any such decision making relating to the child's sports activities,
  - b. Checking with the child's doctor as to the suitability or appropriateness of such engagement in sports activities,
  - c. Participating in any organization relating to any child's sports activities,
  - d. Involvement in any supervision of the use of any sports activity equipment, such as race cars, pole vaults, mopeds, etc.,
  - e. To what extent you personally visited any playground, bike path or hiking trail prior to its use by the child,
  - f. The description of any other activity by you in connection with your involvement in any sports activity decision for the child.
10. Within the past three years, have you been involved in any decision making relating to the child's engaging in any social activities suitable for the child's group?
11. If your answer to the preceding interrogatory is in the affirmative, please state as to any decision making relating to social activities for the child:
- a. The nature and extent of your involvement in any such decision making,
  - b. Any involvement in enforcing curfews,
  - c. Any involvement in not allowing the child to be outside after dark,
  - d. Your driving the child to and from any activity to be sure of the child's whereabouts,
  - e. Calling the homes of friends of the child to be sure of the child's whereabouts,
  - f. Personally visiting any social location, such as any arcade, mall, teen center, etc.,
  - g. Any other personal involvement by you in connection with any decision making relating to the child's engaging in social activities.

12. Have you within the past three years been involved in efforts to prevent the child from engaging in undesirable behavior and activities?
13. If your answer to the preceding interrogatory is in the affirmative, please describe in detail your attitudes and efforts to prevent undesirable behavior and activities on the part of the child.
14. If within the past three years you have undertaken efforts to prevent the child from smoking cigarettes or marijuana, or using chewing tobacco, please state each of your efforts and the level of your success.
15. If during the last three years you have made any efforts to prevent the child from drinking, whether alcoholic beverages or caffeinated beverages, please state in detail each of your efforts in this regard.
16. If within the last three years you have made any efforts to prevent the child from swearing and using rude language, please describe each of your efforts in detail.
17. If within the last three years you have made any efforts to prevent the child from staying outside your home beyond any agreed time for returning, please identify each of your efforts in detail.
18. If within the last three years you have made any efforts to prevent the child from not informing the appropriate adults of the child's whereabouts, please describe your efforts in detail.
19. If within the past three years you have made any efforts to prevent the child from skipping school, please describe each such effort in detail.
20. If within the past three years you have tried to avoid having the child not do the appropriate homework assignments, please describe in detail your efforts.
21. If within the past three years you have made any efforts to prevent the child from vandalizing property, please describe each of your efforts in detail.
22. If within the past three years you have tried to prevent the child from being sexually active, please describe each of your efforts in detail.
23. If within the past three years you have tried to prevent the child from behaving abusively to siblings, please describe your efforts in detail.
24. If within the past three years you have tried to prevent the child from stealing, please describe your efforts in detail.
25. Within the past three years, have there been existing or ongoing problems with the child's activities?
26. If your answer to the preceding interrogatory is in the affirmative, please state as to any such existing or ongoing problem:
  - a. A description of each kind and type of problem activity,
  - b. Your efforts to change the child's behavior,
  - c. The child's attitude about changing behavior,
  - d. The results of any efforts by you or by the child to change the child's behavior,
  - e. The current status of any such existing or ongoing problem,
  - f. Any current plans involving you and the child to avoid future problems.

#### Attitudes Regarding Child's Companions.

1. Within the past three years, have you adopted any attitudes or practices regarding the child's companions?
2. If your answer to the preceding interrogatory is in the affirmative, please describe each such attitude and practice relating to any companion of the child.

3. If within the past three years you have made any efforts to learn about and know each friend or companion of the child, please describe in detail each such effort or conduct on your part relating thereto.
4. Within the past three years, has the neighborhood where your household is located been involved in any vandalism, fighting, gangs, violence, or other signs of a troubled neighborhood?
5. If your answer to the preceding interrogatory is in the affirmative, please describe in detail all aspects of your neighborhood.
6. Within the past three years, have there been problems relating to the child in connection with the child's friends and companions?
7. If your answer to the preceding interrogatory is in the affirmative, please state:
  - a. To what extent the child is easily influenced by any friend or companion,
  - b. To what extent has the child had previous problems involving any friend or companion,
  - c. To what extent are any friends or companions of the child without adult supervision at their homes.
8. Within the past three years, has there been any occasion when it became necessary to control the child's choice of any friend or companion?
9. If your answer to the preceding interrogatory is in the affirmative, please describe in detail:
  - a. The nature and extent of any such controlling,
  - b. The date of each such controlling,
  - c. The factual circumstances of any such controlling.
10. During the past three years, have you limited the child's social access to any persons or activities?
11. If your answer to the preceding interrogatory is in the affirmative, please state:
  - a. The nature and extent of any limiting of the child's social access,
  - b. The date or dates of any such limitations,
  - c. The name and address of any child to whom social access was restricted,
  - d. The name and address of acceptable school friends,
  - e. The name and address of acceptable boyfriends and girlfriends,
  - f. The names of acceptable church school acquaintances,
  - g. The names of acceptable private school friends.
12. Within the past three years, has it been necessary to "ground" the child for seeing unacceptable friends, boyfriends, girlfriends or friends that are a bad influence on the child?
13. If your answer to the preceding interrogatory is in the affirmative, please describe in detail each such grounding, including:
  - a. A description of the kind and nature of the circumstances requiring grounding,
  - b. The name of each individual to whom access was forbidden,
  - c. The name of any activity which was prevented,
  - d. The name of each location which became "off-limits" for the child,

- e. The dates of each such grounding.
14. Within the past three years, have there been any problems with regard to the child's choice of any friend or companion?
15. If your answer to the preceding interrogatory is in the affirmative, please state as to any such problem:
- a. The nature and extent of any such problem,
  - b. Each date of any such problem,
  - c. The name of each problem friend or companion of the child,
  - d. A description of the solution suggested by you,
  - e. A description of any problem behavior exhibited by any friend or companion of the child,
  - f. A description of any problem behavior exhibited by the child when with any such friend or companion,
  - g. Your efforts to improve any such friend or companion of the child,
  - h. Any effort by the child to change any such friend or companion,
  - i. The child's attitude about any change in the child's friends or companions,
  - j. Any results of your efforts to try to change the child's friends or companions,
  - k. Any plans that you currently have to try to improve the situation or condition.
16. Within the past three years, have any of the child's privileges been withheld because the child has been active with unacceptable friends, boyfriends, girlfriends or friends who are bad influences?
17. If your answer to the preceding interrogatory is in the affirmative, please state with regard to any such privilege being withheld:
- a. The nature and extent of the privileges withheld on each occasion,
  - b. The date of each withholding of privileges,
  - c. The name of each unacceptable person,
  - d. The name of each unacceptable activity,
  - e. The name of each unacceptable location.
18. Within the past three years, has there been any discussion by you with the child as to why certain people would be inappropriate companions or friends?
19. If your answer to the preceding interrogatory is in the affirmative, please state as to any such discussion:
- a. The substance of any discussion for each instance of any discussing,
  - b. The dates of each such discussion,
  - c. The persons involved in discussing such issues,
  - d. Whether any class issues were involved, giving details,
  - e. Whether any race issues were involved, giving details,
  - f. Whether any religious issues were involved, giving details,
  - g. Whether there were any family problem issues, giving details,
  - h. Whether there were any behavior issues, giving details.

20. Within the past three years, have there been any instance in which you have not allowed the child to invite any friends or acquaintances to your home?
21. If your answer to the preceding interrogatory is in the affirmative, please state:
  - a. The name and address of any child forbidden to be invited to your home,
  - b. The frequency of your refusing to allow the child to invite any friend or acquaintance,
  - c. The dates of each instance when you refused to allow the child to invite any friend or acquaintance to your home,
  - d. The reason for your refusal to allow the child to invite any friend or acquaintance to your home.

Attitudes Regarding Sexual Education.

1. Please state in detail your attitude about what information regarding sexual education should be given to the child.
2. Please state in detail your attitude as to whether the following information about sexual education should be given to the child:
  - a. An explanation of human reproduction and sex issues,
  - b. An explanation of the reproductive systems,
  - c. An explanation of how pregnancy occurs,
  - d. An explanation of orgasm,
  - e. An explanation of infertility,
  - f. An explanation of the correct medical terms for body parts.
3. Please state in detail your attitude about the sexual education of abstinence until marriage.
4. Please state in detail your attitude about religious teaching about sex and sexuality.
5. Please state in detail your attitude about pregnancy and childbirth.
6. Please state in detail your attitude about fertility and risks of pregnancy.
7. Please state in detail your attitude about sexual education, including a full discussion of various birth control methods.
8. Please state in detail your attitude about sexual education regarding demonstrations with condoms, diaphragms, etc.
9. Please state in detail your attitude about sexual education regarding discussions of effectiveness and drawbacks of each method of birth control.
10. Please state in detail your attitude about sexual education regarding the issue of responsibility to your sexual partner.
11. Please state in detail your attitude about sexual education regarding issues of respect and dignity towards your sexual partner.
12. Please state in detail your attitude about sexual education regarding health and safety issues.
13. Please state in detail your attitude about sexual education regarding a full explanation of heterosexuality, homosexuality, and bisexuality.
14. Please state in detail your attitude about sexual education regarding a full explanation of sexual activities, including:

- a. Various types of sex acts,
  - b. Health risks relating to sexual activity,
  - c. AIDS education,
  - d. Other sexually transmitted diseases.
15. Please state in detail your attitude regarding sexual education as to who should inform the child, including:
- a. Parents only,
  - b. Parents and religious educators,
  - c. School health educators,
  - d. Other persons who care about the child.
16. Please state in detail your attitude regarding sexual education as to how information should be conveyed to the child, including:
- a. Classroom lecture,
  - b. One-on-one discussion with either parent,
  - c. Small group discussion with a religious teacher,
  - d. Scouting group seminar,
  - e. Other persons who care about the child.
17. Within the last three years, have you been involved in any way regarding the sexual education of the child?
18. If your answer to the preceding interrogatory is in the affirmative, please state in detail your involvement, including:
- a. The date or dates of any such involvement,
  - b. The names of any other persons beside yourself and the child involved in any such sexual education,
  - c. The place where any such involvement or education took place,
  - d. The substance of any conversations as to any such sexual education.
19. Within the past three years, have you been involved in giving any explanation to the child of human reproduction and sex issues?
20. If your answer to the preceding interrogatory is in the affirmative, please state:
- a. A detailed explanation of subject matters given to the child,
  - b. The date of each explanation,
  - c. Whether the human reproductive system was explained,
  - d. Whether how pregnancy occurs was explained,
  - e. Any explanation of orgasm,
  - f. Any explanation of infertility.
21. Within the past three years, have you have a discussion with the child about sexual issues?
22. If your answer to the preceding interrogatory is in the affirmative, please state:

- a. The nature, extent and substance of any such conversation,
  - b. Whether you used correct medical terms for body parts,
  - c. Whether you discussed abstinence until marriage,
  - d. Whether you discussed religious teachings about sex and sexuality,
  - e. Whether you discussed pregnancy and childbirth,
  - f. Whether you discussed fertility and risks of pregnancy,
  - g. Whether you discussed various birth control methods,
  - h. Whether during any such discussion you demonstrated condoms, diaphragms, or other birth control methods,
  - i. Whether you discussed the effectiveness and drawbacks of each method of birth control,
  - j. Whether you discussed issues of responsibility to your sexual partner,
  - k. Whether you discussed issues of respect and dignity for your sexual partner,
  - l. Whether you discussed health and safety issues,
  - m. Whether you explained heterosexuality, homosexuality, or bisexuality,
  - n. Whether you gave an explanation of sexual activity, including various types of sex acts, health risks, AIDS education and/or other sexually transmitted diseases.
23. Within the past three years, to your knowledge, has the child received any information about sexual education from persons other than yourself?
24. If your answer to the preceding interrogatory is in the affirmative, please state as to the persons giving information to the child:
- a. The name and address of each such person,
  - b. The relationship to the child of each such person,
  - c. To your knowledge, the substance of any such sexual education,
  - d. Any date of any such sexual education,
  - e. A description of the location of any such sexual education.
25. If within the past three years sexual education was given to the child, please state your knowledge of any method used to convey such information:
- a. Classroom lecture,
  - b. One-on-one discussion with any parent,
  - c. Small group discussion with any religious teacher,
  - d. Scouting group seminar,
  - e. Other.
